A. The Board and the Association agree to enter into collective negotiations for the purpose of concluding an agreement in accordance with Chapter 303, Public Laws 1968, on matters concerning the terms and conditions of employment. The Association shall submit its proposals to the Board no later than October 1 of the calendar year preceding the calendar year in which this Agreement expires or no later than two (2) weeks prior to the date of the first meeting of the parties for negotiations whichever shall be sooner.

The Board shall submit its proposals to the Association no later than two (2) weeks after it receives the Association proposals.

Any final agreement so negotiated shall apply to all members of the appropriate unit as set forth in ARTICLE I, be reduced to writing, and be signed by the Board and the Association.

B. The parties and their representatives shall be clothed with all necessary power and authority to conduct negotiations so as to effect a final agreement as established in paragraph A of this Article. Before the Agreement becomes final and binding upon the respective parties it is understood that the Board must adopt and the Association must ratify the final Agreement between the negotiators and that such Agreement must be signed.

C. This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.

ARTICLE III -- GRIEVANCE PROCEDURE

A. Definitions:

A grievance shall mean that teachers or representative of teachers may appeal the interpretation, application or violation of policies, agreements, and administrative decisions affecting them.

The term grievance shall not apply where the complaint of a non-tenure teacher arises by reason of his not being re-employed. However, the non-tenure teacher shall be given the reason or reasons for his not being rehired. Such non-tenure teacher may request and be granted a conference with the Superintendent in the event such teacher is not being rehired.

A grievance to be considered under this procedure must be initiated in writing, within forty-five (45) school days from the time when the teacher knew or should have known of its occurrence.

B. Procedure:

1. Level One:

The teacher(s) with a grievance shall first discuss it with his Building Principal, either alone, or with the Association representative, at his option, with the objective of resolving the matter informally.

2. Level Two:

If, within seven (7) school days thereafter, a problem remains unresolved, the grievant shall set forth his grievance in writing to the Principal stating:

- (a) The date of the occurrence that caused the grievance
- (b) The nature of the grievance and specific request for relief
- (c) The nature of the loss, injury or inconvenience

The Principal shall communicate his decision to the grievant in writing, with copies to the Association, within five (5) school days of receipt of the written complaint.

3. Level Three:

The grievant may appeal the Principal's decision to the Superintendent of Schools. The appeal to the Superintendent must be made in writing and must set forth the grounds upon which the grievance is based. It should also contain copies of all material relating to the previous actions taken on it. The Superintendent shall attempt to resolve the matter as quickly as possible, but within a period not to exceed ten (10) school days. The Superintendent shall communicate his decision in writing to the grievant with a copy to the Association.

4. Level Four:

If the grievance is not resolved to the grievant's satisfaction by the Superintendent, he may request a review by the Board. The request shall be submitted in writing through the Superintendent of Schools who shall attach all related papers and forward the request to the Board. The Board, or a committee thereof, shall review the grievance, hold a hearing with the grievant, and render a decision in writing to the grievant, with copies to the Association, within fifteen (15) school days.

5. Level Five:

- (a) A grievance can be processed to Level Five only if it pertains to the meaning, application, or interpretation of this Agreement and/or as it is covered by the powers of the Arbitrator set forth in Section 5(c) of this Article. However, the arbitration procedure shall not apply to a complaint of a tenure teacher occasioned by reason of his not being re-employed.
- (b) If the grievant is not satisfied with the disposition of his grievance at Level Four, the following procedure shall be used to secure the services of an arbitrator:
 - (1) A joint request shall be made to the American Arbitration Association to submit a roster of persons qualified to function as an arbitrator in the dispute in question not later than ten (10) school days after the decision by the Board.

Grievance Procedure

- (2) If the parties are unable to determine a mutually satisfactory arbitrator from the submitted list, they will request the American Arbitration Association to submit a second roster of names not later than ten (10) days from the receipt of the first list.
- (3) If the parties are unable to determine a mutually satisfactory arbitrator from the second list submitted, the American Arbitration Association may be requested by either party to designate an arbitrator.

(c) It is understood that the arbitrator is empowered to examine past practice affecting personnel matters relating to working conditions. It is also understood that the arbitrator is empowered to examine administrative decisions relating to such personnel matters for evidence of arbitrary, capricious or discriminatory action. These factors may serve as a basis for decisions. All decisions of the arbitrator shall be final and binding on the parties.

In deciding grievances, the arbitrator shall be without power or authority to make any decision contrary to, or inconsistent with, or modifying or varying in any way, the terms of this Agreement or of applicable law or rules or regulations having the force and effect of law.

Grievance Procedure

- (d) The arbitrator shall confer with the representatives of the Board and of the Association and shall proceed with a hearing and submit a written report in the shortest possible time setting forth his findings of fact, reasoning and conclusions on the issues submitted.
- (e) The costs for the services of the arbitrator, including per diem expenses and actual and necessary travel, subsistence expenses and the cost of the hearing room, shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring same.
- (f) If time is lost by the grievant due to arbitration proceedings necessitating the retention of a substitute, the Board of Education will pay only the cost of the substitute and the time lost by the teacher must either be without pay or charged to personal time if the grievance is denied. If the grievance is sustained, the grievant shall not suffer loss in pay. If the arbitrator subpoenas a teacher to attend the arbitration proceedings as a witness, this teacher shall not suffer loss of pay.

6. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the grievant to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step, within the same time limit prescribed for a decision, shall be deemed to be acceptance of the decision rendered at that step.

Grievance Procedure

7. In all matters relating to the handling of grievances, teachers shall be assured freedom from reprisal, restraint, interference, coercion, and discrimination during and after the presentation of the matter. During the time that the grievance is being reviewed by the appropriate parties, it is understood that the teacher(s), including the grievant, will continue to follow the established administrative rules and regulations, and Board policies regarding the subject matter of the grievance, until such grievance is properly resolved.
8. Nothing herein contained shall be construed as limiting the right of any teacher having a grievance to discuss the matter informally with any appropriate member of the Administration, and having the grievance adjusted without intervention of the Association, providing the adjustment is not inconsistent with the terms of this Agreement and that the Association has been given the opportunity to be present at such adjustment.
9. The time limits herein stated may be extended by mutual agreement. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and, if left unresolved until the beginning of the following school year, the time limits set forth herein may be reduced by mutual agreement, so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

Grievance Procedure

10. Any teacher may be represented at all stages of the grievance procedure by himself, or by the Association's Representative. When a teacher is not represented by the Association, the Association shall have the right to be present at all stages of the grievance procedure and may state its view.
11. All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file, located in the Board of Education Office and shall not be kept in the personal file of any of the participants. Such a file shall only be accessible to the Superintendent, the grievant, and the grievance committee chairman of the Association.
12. In the case of a grievance affecting a group or class of employees, the person or persons involved may submit such grievance to their Building Principal and follow the procedures starting with Level One. The Association may process such a class or group grievance through all levels of the grievance procedure.
13. All meetings and hearings under this procedure shall not be conducted in public.

- C. Military leave without pay shall be granted to any teacher who is inducted in any branch of the armed forces of the United States for the period of said induction.
- D. Maternity Leave of Absence

All pregnant teachers may apply for a leave of absence without pay. Upon request, such leave shall be granted at any time before the anticipated date of birth to continue for reasonable period of time to a specific date following birth.

- 1. Maternity leave shall be granted subject to the following conditions:
 - a. A teacher shall notify the Superintendent of her pregnancy as soon as it is medically confirmed.
 - b. A request for maternity leave shall include a statement from a physician confirming the pregnancy and anticipated date of birth.
 - c. Exact dates of the leave will be arranged.

Extended Leaves of Absence

- d. A statement from a physician certifying that the teacher is physically able to return to duty shall be furnished to the Board before a teacher is permitted to return from maternity leave.
2. A teacher's return date to employment shall be extended for a reasonable period of time at her request for reasons associated with pregnancy, birth or other related cause. However, the leave of absence granted a non-tenured teacher hereunder may not be extended beyond the end of the contract school year in which the leave is obtained.
3. Except as provided above, no teacher shall be barred from returning to duty after the birth of her child solely on the ground that there has not been a time lapse between the birth and her desired date of return. However, on or before March 1 of the school year in which the teacher desires to return from said maternity leave, the teacher shall indicate to the Board, in writing, that she intends to return to teaching in New Milford the following September. Failure to so notify the Board will be deemed to be a waiver by the teacher of her right to return from maternity leave that year.
4. No teacher shall be removed from her teaching duties during pregnancy, except upon one of the following:
 - a. The Board has found that her teaching performance has noticeably declined

- b. The pregnant teacher is found to be medically unable to continue teaching by her own physician and the Board's physician, or where these physicians disagree, by a physician jointly selected by the Board and the teacher, whose opinion on medical capacity shall be final and binding
 - c. Any other just cause
- 5. The time spent on maternity leave shall not count for placement on the salary guide or for seniority.
- 6. All provisions of paragraph D shall also apply to maternity leave of absence for adoption except that leave shall become effective on the date of receipt of the adopted child.

E. At the discretion of the Superintendent, leave of absence without pay of up to one (1) year shall be granted for the purpose of caring for a sick husband, wife, child, or parent of the teacher's and being cared for in said teacher's home.

F. Other leaves of absence without pay may be granted at the discretion of the Board and for a sufficiently good reason not covered heretofore.

G. Upon return from leave granted pursuant to Section A, B or C of this Article, a teacher should be considered as if he had been actively employed by the Board during the leave and shall be placed on the salary schedule at the level he would have achieved had he not been absent. The time spent on said leaves shall not count toward fulfillment of the time requirements for acquiring tenure.

Extended Leaves of Absence

H. A teacher shall not receive increment credit for the time spent on a leave granted pursuant to Sections D, E, or F of this Article, nor shall such time count toward the fulfillment of the time requirements for acquiring tenure.

I. All benefits to which a teacher was entitled at the time his leave commenced, including unused accumulated sick leave and credits toward sabbatical eligibility, shall be restored to him upon his return and he shall be assigned to the same position which he held at the time said leave commenced, if available, or if not, to a substantially equivalent position.

J. In accordance with the Rules and Regulations of the State Health Benefits Plan at the prerogative of the teacher on leave, insurance will be paid for by the teacher in order that such coverage be maintained.

ARTICLE XVIII -- SABBATICAL LEAVE

- A. Sabbatical Leave, or long term leave with pay, is designed to improve instructional service to the highest level of quality and efficiency. Sabbatical leave is not a reward for past accomplishments. Rather, it is really an investment by the school district in better instruction, and therefore, primarily a benefit to the school district.
- B. Any professional employee, under tenure, who has completed ten (10) years of service, seven (7) of which have been continuous and satisfactory in the New Milford Public Schools, may, upon recommendation of the Superintendent, be granted a sabbatical leave not to exceed one (1) year.
- C. The general reason for sabbatical leave shall include the following:
 1. Study at an advanced level including residency requirements for graduate work
 2. Travel when associated with subject field or when it will directly benefit the district student
 3. Approved work opportunities which promise to improve substantially the employee's value to the school system
 4. Other approved purposes
- D. The number of leaves in a given year shall not exceed 1% of the entire professional staff, except that the number may be increased at the discretion of the Board.

Sabbatical Leave

- E. A staff member on sabbatical leave will receive his contracted annual salary for a full year. Salary shall be paid in accordance with the current salary guide in effect in the New Milford School System. Professional employees on sabbatical leave shall not receive compensation from other employers without prior approval of the Superintendent.
- F. A period of sabbatical leave shall count as regular service for the purpose of retirement planning, and contributions by the professional employee to the retirement fund shall continue as usual during such period. A staff member will be reinstated in his former position at the end of a sabbatical leave with seniority, salary guide, cumulative sick leave, and tenure rights unimpaired. Upon return from sabbatical leave, a teacher shall be placed on the salary schedule at the level which he would have achieved had he remained actively employed in the system during the period of his absence.
- G. As a condition precedent to the granting of such leave, the professional employee shall agree by contract to continue in his former or advanced position in the service of the New Milford Board of Education for a period of not less than two (2) years after the expiration of the leave. If a teacher fails to continue in service after such leave of absence, the teacher shall repay to the Board of Education of the Borough of New Milford, in the County of Bergen, a sum of money bearing the same ratio to the amount of salary received while on leave of absence that the unperformed part of the two (2) subsequent years' service bears to the full two (2) years, unless such teacher is incapacitated, has been dis-

bbatical Leave

Applications shall be made in writing to the Superintendent through the Building Principal no later than January 15 prior to the fiscal year of the leave. On the basis of preliminary applications received, the Superintendent shall, after conference with appropriate administrative personnel, determine an order of eligibility in which, if subsequently approved by the Board, the leaves will be granted. Each applicant shall be notified in writing by the Superintendent not later than April 1 of the decision concerning his application. Approved leaves shall begin in September following the application.
